Subject: Carmichael tree

Dear Michael,

Thank you for the voluminous Carmichael tree. These amendments apply to it and/or the Hughes Family Story:

I note that my error on Patrick's birthday persists -- it should be the sixteenth of April.

Dorette's entry should have birth date as 30 December 1919, and death on 28 March 2005.

My first name is Herbert, not Henry, birth date 17 October 1915; marriage 23 October 1943.

Dorette's parents were Alfred Mahoney Hughes 19 April 1867 - 9 December 1934, and Doris Dockrall (Woolley) 15 November 1890 - 28 June 1963.

My mother was Edith Mary (Sutton) 21 June 1884 - 4 November 1976.

I hope that the package I sent you has arrived by now and I look forward to your comments. Tessa received hers (mailed at the same time) over a week ago. What information does your post office require to initiate a trace ?

Happy Valentine. Regards. Basil
